Chairman Froemming called for a vote. Motion carried 3-2 with Mosher and Lee opposed.

Solid Waste Hauling Services

Solid Waste Director, Mike Hanan, presented the following proposals for the purpose of transporting Municipal Solid Waste from Fergus Falls, MN, to the Dakota Landfill in Gwinner, ND, the Perham Incinerator, and the Elk River Landfill as follows:

	Gwinner, ND	Perham, MN	Elk River, MN
Ottertail Transportation, Inc. Fergus Falls, MN	\$340.00	\$255.00	\$560.00
Waste Management Alexandria, MN	\$355.00	\$225.00	\$355.00

Motion by Lee, second by Block, and unanimously carried to award the hauling of MSW from Fergus Falls to the above-mentioned landfills to Ottertail Transportation, Inc., as recommended by the Solid Waste Director, because the low bid of \$340.00 to haul to the Dakota Landfill in Gwinner, ND, is expected to be the main hauling destination, with minimal loads being hauled to the other landfills. This award would be for a two year period.

The Township had agreed on paying 25% of the cost of a 7 ton road with the County picking up the remainder of the cost. Mr. Hanan noted that the issue for the County is that the cost was estimated at \$180,000.00 for the County's portion of the cost and now, the cost is \$250,000.00. When considering the amount of traffic on the road, the increased cost may not be warranted to pave this road. The Highway Engineer will meet with the Henning Town Board on this issue.
