

**MINUTES OF THE
OTTER TAIL COUNTY BOARD OF COMMISSIONERS
Government Services Center, Commissioners' Room
500 Fir Avenue W., Fergus Falls, MN
Tuesday, May 9, 2006
9:30 a.m.**

Call to Order

The Otter Tail County Human Services Board convened Tuesday, May 9, 2006, at 9:30 a.m., at the Otter Tail County Government Services Center with Commissioners Roger Froemming, Chair; Dennis Mosher, Vice-Chair; Bob Block, Syd Nelson, and Malcolm Lee present.

Approval of Agenda

Motion by Block, second by Mosher, and unanimously carried to approve the Human Services Board agenda of May 9, 2006, as mailed.

Approval of Minutes

Motion by Nelson, second by Lee, and unanimously carried to approve the Human Services Board minutes of April 25, 2006, as presented.

Area Agency on Aging Update

Mark Tysver, Director of the West Central Office of the Land of the Dancing Sky, briefed the County Board regarding services provided to seniors. He discussed contract administration with the nutrition program being the largest responsibility along with care giver support and transportation contracts. The purpose of the services is to allow seniors to remain in their homes longer. Transformation 2010 is looking to the future regarding how to provide services to an elderly baby boomer population. The Land of the Dancing Sky contracts with Otter Tail County for an Aging Coordinator. Aging Coordinator, Lyle Hoxtell, reported on his activities, with Medicare Part B information and assistance taking most of his time along with working with seniors to complete financial forms, living wills, etc. Mr. Hoxtell discussed the senior friendly employment program and provided various handouts and statistics for the nine-region area.

Court Services Department

Court Services Director, Chuck Kitzman, reported that his office has received a check from the State of Minnesota, in the amount of \$131,217.00, for the County Probation Officer Reimbursement. The check is less than the 50% of Probation Officers salaries as provided in State Statute.

Motion by Mosher, second by Lee, and unanimously carried to authorize the Court Services Director to proceed with the hiring process for a Probation Officer as a replacement due to a resignation.

Replacement Positions

Motion by Mosher, second by Block, and unanimously carried to authorize Department Heads to proceed with the hiring process to replace existing positions due to termination/retirement and to require full County Board approval as soon as practicable.

Maintenance Position Replacement

Motion by Block, second by Mosher, and unanimously carried to authorize the Physical Plant Manager to proceed with the hiring process for a Special Projects and Relief Worker due to a resignation of that position.

Tobacco Ordinance Status Report

David Willoughby, Chief Executive Officer of the Minnesota Partnership for Action Against Tobacco (MPAAT), briefed the County Board on his organization, funding of the organization, and their goal to reduce smoking and exposure to second-hand smoke to the citizens of Minnesota. He provided a packet of information and explained their QUITPLAN Program. Lengthy discussion followed regarding affects of an ordinance on economics, questions about the OSHA standards, voluntary quit smoking programs, and the benefits of a statewide ordinance vs. local government ordinances. Public Health Director, Diane Thorson, presented a worksheet that the Community Services Advisory Committee is recommending for a Smoke-Free Ordinance. The recommendation includes some exemptions including bars with limited food license and private clubs.

Chemical Dependency/Detox Report

Steve Skauge, Director of Productive Alternatives, reported that the new Detox Facility is ready for operation as soon as licensure from the Minnesota DHS is received. Anticipation of the licensure is in approximately one week. Human Services Supervisor, Jodi Wentland, referred to the Annual Report – Chemical Dependency Unit for 2005, which detailed CD programs and the number of clients served in 2005. CD Counselors updated the Board on their duties.

Human Services Contract Approvals

Motion by Nelson, second by Block, and unanimously carried to authorize the Chairman's signature to execute a contract between the County of Otter Tail and the Minnesota Department of Human Services MSOCS Division, for home and community based waived services, at sites in Otter Tail County, for persons with mental retardation or related conditions. The funding is through State waiver dollars and medical assistance.

Motion by Mosher, second by Froemming, and unanimously carried to authorize the Chairman's signature to execute a contract between Otter Tail County and The Village Family Service Center for mental health services for children for CY2006. Funding is through the County of financial responsibility and medical assistance.

Bills & Claims

Motion by Block, second by Lee, and unanimously carried to approve the Human Services bills & claims as presented.

Adjournment

At 10:50 a.m., Chairman Froemming declared the meeting of the Otter Tail County Human Services Board adjourned until 9:30 a.m. on Tuesday, May 23, 2006.

 Larry Krohn, Clerk

Call to Order

The Otter Tail County Board of Commissioners convened Tuesday, May 9, 2006, at 11:02 a.m., at the Otter Tail County Government Services Center with Commissioners Roger Froemming, Chair; Dennis Mosher, Vice-Chair; Bob Block, Syd Nelson, and Malcolm Lee present.

Approval of Agenda

Motion by Block, second by Nelson, and unanimously carried to approve the County Board agenda of May 9, 2006, with one addition as follows:

Ethanol Plant Discussion

Approval of Minutes

Motion by Mosher, second by Froemming, and unanimously carried to approve the County Board minutes of May 2, 2006, as presented.

Approval to Pay Bills

Motion by Mosher, second by Block, and unanimously carried to approve payment of the County Board bills per Attachment A of these minutes.

Northeast Landfill Financial Assurance

Solid Waste Director, Mike Hanan, reported that, as of December 31, 2005, the MPCA considered the Northeast Otter Tail Ash and Demolition Landfill's Long Term Dedicated Trust Fund fully funded. Mr. Hanan requested that Otter Tail County develop a Financial Assurance Account within the Solid Waste Enterprise Fund and contribute monthly payments to that account rather than to continue payments into the Financial Assurance Fund. He stated that Otter Tail County could then determine how those dollars should be spent and he detailed acceptable expenditures that could be considered in a copy of a letter to the Commissioners dated May 9, 2006. Motion by Mosher, second by Nelson, and unanimously carried to begin putting monthly payments into a Financial Assurance Account because the current fund for the Northeast Landfill is fully funded. The account should be set up, effective May 1, 2006, and dollars used as recommended by the Solid Waste Director.

Parkers Prairie Transfer Station

Motion by Froemming, second by Lee, and carried with Block and Mosher opposed, to authorize the Solid Waste Director to proceed with the hiring process to replace a Solid Waste Attendant position at the Parkers Prairie landfill which is open 4 hours on Saturdays.

Perham Resource Recovery Facility

Mr. Hanan reported that the new auxiliary boiler has been installed and is operating. There were a number of issues with the boiler and the installation. Mr. Hanan provided a list of start-up issues with the boiler. A financial statement of the cost of installation including lost revenue, loss of providing steam, etc. has been requested. He reported that the Coordinating Committee has recommended that no further bills are paid for the boiler installation work until the financial reports are provided for 2005 for the facility.

Liquor License Approvals

Motion by Mosher, second by Nelson, and unanimously carried to approve the following applications for license:

| | |
|-----------------------------|-------------------------------------|
| Collins Landing Dent, MN | Renewal of 3.2 Off-Sale Malt Liquor |
|-----------------------------|-------------------------------------|

| | |
|--|-------------------------------------|
| Lakeland General Store Pelican Rapids, MN | Renewal of 3.2 Off-Sale Malt Liquor |
|--|-------------------------------------|

Ditch Related Expenses

Motion by Block, second by Mosher, and unanimously carried to approve the following ditch related expenditures:

| | | | |
|-----------------|---------------------|---------|----------|
| Richard Carlund | County Ditch No. 29 | Beavers | \$700.00 |
| Randy Wasvick | County Ditch No. 63 | Viewing | 22.52 |

Audit Engagement Letter

Motion by Block, second by Mosher, and unanimously carried to authorize the Chair, the County Coordinator, and the County Auditor to sign the audit engagement letter with the Office of the State Auditor for the County's audit for the year-ended December 31, 2005.

Seasonal Employees – Land & Resource Department

Motion by Froemming, second by Lee, and unanimously carried to authorize the Land & Resource Director to hire three seasonal employees for the summer as has been past practice.

Otter Trail Riders Trail Association

Otter Tail County Resolution No. 2006 – 40

Commissioner Nelson offered the following and moved its adoption:

WHEREAS, Otter Tail County has sponsored Grant-In-Aid Systems in the past; and

WHEREAS, acceptance of the Grant-In-Aid Systems proposed extensions are subject to the review and approval of the County Attorney.

THEREFORE, BE IT RESOLVED that Otter Tail County shall continue to sponsor Grant-In-Aid Trail Systems as they exist for the Otter Trail Riders Trail Association and proposed extensions of Grant-In-Aid Trails with the aforementioned condition.

Commissioner Lee seconded the resolution and, upon being put to vote, was unanimously adopted.

Adopted this 9th day of May, 2006.

By: _____
Roger Froemming, Board of Commissioners Chair

Attest: _____
Larry Krohn, Clerk

Final Plat – “Lindemann Addition

Motion by Nelson, second by Lee, and unanimously carried to approve the Final Plat known as “Lindemann Addition” all of subplot 2 of GL 4 in Section 23 of Rush Lake Township, Rush Lake; (56-141).

Recess & Reconvene

At noon, Chairman Froemming declared the meeting of the Otter Tail County Board of Commissioners recessed for lunch break. The meeting was reconvened at 1:00 p.m. with all commissioners present.

Ditch No. 11

Ditch Inspector, Randy Wasvick, requested authorization for removal of beavers and dams in Ditch No. 11 on the east side of CR 119 in Tordenskjold Township. Motion by Nelson, second by Lee, and unanimously carried to authorize clean out/trapping of beavers and dams in Ditch No. 11 as requested by the Ditch Inspector. The expenses will be paid out of County General Revenue funds and billed back to Ditch System No. 11 with a 6% interest rate.

Ditch No. 29

Mr. Wasvick reported that a portion of Ditch No. 29 in Rush Lake Township was cleaned in 2001. He stated that the Ditch goes into Rush Lake and provided a map with the area that was cleaned out highlighted in pink and the area that people are requesting to have cleaned out in green. Mr. Wasvick estimated \$8,000 to \$10,000 to clean out the green area and stated that there are not enough funds in this ditch system. Commissioners requested that the Ditch Inspector set up a Public Meeting at 7:00 p.m. on June 1, 2006, in Ottertail City to discuss the clean out.

Ditch No. 63

Mr. Wasvick reported that he had Ditch Viewers look at some properties in Ditch No. 63 to gain information to help determine whether benefits on this ditch system should be redetermined. Some parcels didn't have much of a benefit change, some parcels had significant benefit increases and an error was found in Section 8 on a 70.76 acre parcel owned by Mike Dillon. Discussion followed regarding the possibility of a simplified redetermination. County Attorney, David Hauser, stated that further research would be required to determine the procedure for completing a correction. Commissioners requested that the Ditch Inspector set up a public meeting to discuss the condition of the ditch system, estimated costs of repair, and the value/benefits of the complete system.

Ditch No. 70

Mr. Wasvick reported on Ditch No. 70, specifically Sewell Lake in St. Olaf Township. Mr. Wasvick stated that the original drawing for the ditch system showed one outlet coming into the lake which is a 36" pipe. He noted that there are nine that he could find underneath the township road. Mr. Wasvick found no activity where culverts had been put under the road to go into Sewell Lake in the last couple of years. He stated that when working on the system, it is being worked on as built, not as designed. Elevations were taken by the Land & Resource office. Sewell Lake is running over the top and is about 10" above the OHWL. If the 12" outlet pipe is replaced with a bigger pipe, the DNR would need to evaluate the impact on the lake. The cost for an 18" pipe was estimated at \$120,000 to \$150,000. Mr. Hauser stated that Mr. Puchtel, property owner on Sewell Lake, has called and believes that there has been additional tiling done in the farmland in the watershed, and if done, would constitute additional use of the ditch system without paying a fee. If that is the case, arguably, that should be stopped. His opinion is that some neighboring farmlands have received approval from the NRCS office, so there is documentation that it has been done recently, and Mr. Puchtel's opinion is that the system cannot deal with the capacity. The Ditch Inspector spoke with Jeff Lepp from the NRCS office. Mr. Lepp stated that some tiling has been done recently where the old tile failed and crushed and it was a replacement and another was a tile that was put in an open ditch. There is no evidence that was found that new tiling has been installed in recent years. One thing that could be done would be to install an additional outlet above the OHWL.

High Water Discussion

Highway Engineer, Rick West, discussed high water situations on CR 10 west of Elizabeth, CR 24 east of Rothsay, and high water around North and South Turtle Lakes. Commissioner Mosher provided a copy of a letter written to the Minnesota Department of Transportation requesting permission to install a drainage culvert under Highway 210. A pipe could be run from South Turtle to Fiske Lake set at about 1½ ft. above the OHWL of South Turtle Lake and with the culvert installed, the water would flow towards the Pomme de Terre River. Bricker Johnson from South Turtle Lake explained that long term plans are being worked on but if the water continues to flow into South Turtle Lake from North Turtle at the current pace, the pumping out of South Turtle may not be able to keep up. He also expressed concerns that, because of higher fuel costs, they may not have enough money to keep pumping. Mr. Johnson stated that Representative Bud Nornes has requested emergency aid from the State for South Turtle Lake. Lengthy discussion followed regarding what the County is authorized to do and DNR's authority. Nate Seeger asked about the possibility of using the storm sewer statute for a long term solution. The County Ditch Inspector explained that using a ditch to drain requires a petition of 26% of the people or land to join the ditch, a redetermination of benefits would be required and the process takes 1 – 2 years. Mr. Lejcher reported that the flow into South Turtle Lake is currently 5,700 gallons per minute. Lisa Carlson, property owner on South Turtle Lake expressed concern for her neighbors with structures where the water is right up to the houses and the septic systems that are under water. Verlyn Dornburg also expressed concern for the houses in trouble on South Turtle and stated that there are no houses in danger of flooding on North Turtle. Motion by Lee, second by Nelson, to reduce the water flowing through the culvert from North Turtle Lake to South Turtle Lake from 5,800 gallons per minute to 3,000 gallons per minute for 30 days to allow South Turtle Lake to gain some ground as they are currently pumping out 6,500 gallons per minute. Chairman Froemming called for a roll call vote:

| County of Otter Tail Board of Commissioners | <u>YEA</u> | <u>NAY</u> | <u>Other</u> |
|--|------------|------------|--------------|
| Roger Froemming | X | | |
| Dennis Mosher | X | | |
| Bob Block | X | | |
| Syd Nelson | X | | |
| Malcolm Lee | X | | |

Motion carried unanimously.

Ethanol Project

County Attorney, David Hauser, discussed procedures needed to move forward with bonding for the proposed Ethanol Project. Mr. Hauser stated that a Business Subsidy Policy will be needed and a Public Hearing held regarding the policy before it can be enacted. Discussion took place regarding the term of the loan for the facility, debt service dollars, the District that must be created, and JOBZ funding. Motion by Mosher, second by Froemming, and unanimously carried to propose bonding for the Ethanol Project based on a 10 year loan/payback term and the County would keep the interest on the debt service dollars each year to pay for administrative costs. Otter Tail County would provide \$300,000 towards upgrading the road that services the proposed facility.

Adjournment

At 3:05 p.m., Chairman Froemming declared the meeting of the Otter Tail County Board of Commissioners adjourned until 9:30 a.m. on Tuesday, May 16, 2006.
